Welcomes you to the
2017 East Lake Classic

Thank you for your continued support!

October 2017

Welcome to the 14th Annual Silver Sound Classic. Whether you are a performer, band director, instructor, parent or just a fan of the Marching Arts, we hope you will have a great experience today!

What you will see today is the result of hundreds of hours of hard work. Students practice on grass fields, in band rooms and on asphalt (hot) parking lots with one goal in mind. The goal is to provide the audience and the judging panel with a unique experience that combines visual and musical aspects in unique ways. You might compare it to ballet, but ballet where the performers are not only moving and dancing, but playing instruments and spinning, throwing (and catching) objects. It really is a unique and compelling performance medium!

Please feel free to positively respond to anything you see and hear. These students live for your applause and reaction. It's ok to be loud!!!! This is different from a concert hall. It is absolutely encouraged for you to clap and cheer whenever you feel the urge! What should you respond to?

- great sound
- great solos
- great toss and catch
- great dancing
- great movement

Thank you once again for supporting the Arts and the East Lake High School Silver Sound Band!

Welcome to the home of the East Lake “*Silver Sound*,” 7 time State Champions!

On behalf of the East Lake High School Silver Sound Marching Band and the East Lake Band Boosters, we welcome you to the 2017 East Lake Classic. This is our 14th Annual event, and we are truly honored that your band has included us in your competition schedule. Our organization is committed to providing participating bands and guests with an enjoyable and rewarding competition experience. We have assembled an outstanding adjudication panel and are confident their reviews will be a valuable tool as your band moves toward Music Performance Assessments (MPA), Bands of America (BOA) competition and the Florida Marching Band Coalition (FMBC) State Finals.

The East Lake Band students, Staff and Boosters are proud to be part of the larger Marching Band Family. Everyone here today shares so many similarities. Our students spend many dedicated focused hours perfecting their shows with admirable enthusiasm, requiring time balancing skills and a genuine love for the marching band craft. Guided by incredibly devoted directors and instructors, students gain knowledge, expertise, experience, friendships, and life-long teamwork building foundations with their bands. Our family includes immediate, extended, past and present band family members, neighbors, and local businesses giving financial, moral, quality time, and support to our students. We are thankful to have our band family assist with chaperoning, fund-raising, concession stands, color guard, logistics, props, spirit wear, organizing paperwork, cleaning uniforms, attending booster meetings, and taking active roles as band booster coordinators and executives. As you can see, although we are from different towns representing different schools, we are similar and in this together!

Thank you to all for attending the 14th Annual East Lake Classic. Please remember to show your enthusiastic support to all of tonight's participants.

Enjoy the show!

Sincerely,
East Lake Band Boosters Board of Directors
