EAST LAKE HIGH SCHOOL 1300 SILVER EAGLE LANE TARPON SPRINGS FL 34688

October 2022

Welcome to the 18th Annual Silver Sound Classic here at East Lake High School. Whether you are a performer, parent, band director, instructor, or just a fan of the Marching and Pageantry Arts, we hope you will have a great experience today!

Arts programs around the country are currently rebuilding after COVID challenged us to navigate safe ways to keep students making music. Many band students across our county, state, and nation never got the chance to experience the thrill of performance or the excitement of an appreciative audience. Today, we are happy to offer all students this opportunity.

Throughout the day, you will have the great privilege of enjoying what is ultimately a snapshot of a much larger experience for the hard-working students of these bands. Encapsulated in a seven-minute show are the hundreds of hours of rehearsal and individual practice, countless calls of "Reset!" and "One More Time!" Students have overcome personal obstacles to improve their performance - and themselves.

Though the goal of their efforts is to provide the audience with an exciting and engaging display of musical and visual artistry, we know that these students will accomplish so much more. Students learn the value of being able to be counted on, and of being able to count on others. They learn responsibility for their actions. They learn to accept success with humility, and how to move forward from failure with grace and purpose. They learn how to lead others, how to set the example, and how to do so with pride.

We encourage you to applaud and cheer at every moment which feels appropriate to you! There is no better feeling for these young people than to know that their efforts were recognized, appreciated, and enjoyed.

Thank you for supporting the arts in Pinellas County and the East Lake High School Silver Sound Marching Band!

Sincerely,

Ian Black

---

Welcome to the home of the East Lake Silver Sound, 7-time State Champions!

On behalf of the East Lake High School Silver Sound Marching Band and the East Lake Band Boosters, welcome to the 2022 East Lake Classic! We are honored that your band has included us in your competition schedule for our 18th Annual event. Our organization is committed to providing participating bands and guests with an enjoyable and rewarding competition experience. We have assembled an outstanding adjudication panel and are confident their reviews will be a valuable tool as your band moves toward Music Performance Assessments (MPA), Bands of America (BOA) competition, and/or the Florida Marching Band Coalition (FMBC) State Finals.

The East Lake band students, staff, and boosters are proud to be part of the larger marching band community. Everyone in attendance today shares many similarities. Our students spend long hours perfecting their shows with admirable enthusiasm. Band students are required to possess strong time management skills and a genuine love for marching band, which often necessitates making room in their busy schedules for this preparation. Guided by devoted directors and instructors, the students gain knowledge, expertise, experience, friendships, and life-long teamwork building foundations. Our community includes past and present and extended family members, neighbors, and local businesses. A thriving band program truly requires tremendous effort on everyone's part.

In addition to financial and moral support, the members of this community give hours of quality time to our students. We are thankful to have our band community assist in multiple capacities - some of which include chaperoning, fund-raising, concession stands, color guard, props, spirit wear, cleaning uniforms and so much more. Many of our volunteers also assume active roles as band booster coordinators and executives. As you can see, although we are from different towns and represent different schools, we are similar and in this together.

Thank you to all for attending the 18th Annual East Lake Classic! Please remember to show your enthusiastic support to all of tonight's participants.

Enjoy the show!

Sincerely,

**East Lake Band Boosters Board of Directors**

### THE GREATER ST. PETERSBURG SECOND TIME AROUNDERS MARCHING BAND

**Director:** Mark Deen

**Staff Members:** Creative Team - Cathy Kersten, Frank Hay are guard/auxiliary Coordinator. Christine Matingly, Kevin Clark and Runth Goodman are Creative Team music and production. Rob Romeyn is staff arranger

**Show:** **Viva La Musica**  
Celebrating Tampa Bays Hispanic Culture through sounds and sights

**Band Bio:** The Band was founded in 1983. The idea came about when William (Bill) Findeison (pronounced Fin-Die Son) a music store owner, was having a conversation with Herb Melloney the Executive Director of the St. Petersburg, Florida Festival of States. Bill The Greater St. Petersburg Area Awesome Original Second Time Arounders Marching was looking for an innovative way to advertise his store during the festival. Herb was sure that a float of some kind was not the right answer for Bill. After a while the question came up, "what happens to all those kids who played a musical instrument in their high school and college bands after they graduate? Would they like a chance to march in a parade one more time?"

An advertisement was placed in the local newspaper announcing that anyone who played in a high school, college, or military band and would like to do it one more time, were asked to meet at a local high school for a rehearsal. About 60 musicians showed up along with some auxiliary to round out the group. Bill passed out the marching music, just two tunes, and held a rehearsal for two hours. At the end of the rehearsal Bill asked that everyone pass in their music and he would have two new tunes next week. This first group had exceeded expectations as to what the quality of the group would be. Thus, the Rounders were born and have been exceeding expectations ever since.

The 'Rounder Band has extended its performances from just two parades, to stand up concerts and field show exhibitions. The 'Rounder ranks have swollen from the first 60 members to over 400. The members range in age from 18 to over 80. Members have met their spouses, had children, and at times there have been three generations of a family participating in the band at the same time.

In 1994 The 'Rounders took their very first trip to participate in the Portland Oregon Rose Festival, and since then, the band has packed their bags for appearances in the San Antonio Fiesta Celebration, the St. Patrick's Day Festival in Dublin, Ireland in 2001, Calgary Stampede in Alberta, Canada, Washington DC for the Cherry Blossom Festival, Savannah, Georgia for their St. Patrick's Day Celebration, two appearances in the Macy's Thanksgiving Day Parade, in New York City and The St. Patrick's Day Festival in Dublin Ireland

Over the years the 'Rounders have been recognized for its size, the multiple generations of its members, and most importantly, the quality of the musicians. The band only meets for about seven weeks a year, with six weeks of rehearsal and a week of performances. Then, the members go back to the daily routine of their lives, until the 'Rounders meet again.

There are no try outs to be a member of the 'Rounders, just prior experience and a willingness to attend the rehearsals and performances. Some 'Rounders travel up to three and four hours each week for the opportunity to participate in the band. We love it when someone on the sidelines decides to join the group moving from passive observer to active participant, looking for the opportunity to do it all "a second time around."

# Competition Etiquette

We hope the few brief tips below will make your experience of this amazing art form even more enjoyable.

**Please** support all the bands. Applaud or even cheer any band when you appreciate something they do.

**Please** visit the concession stand. A marching competition is also a fundraiser.

**Please** keep talking to a minimum during a performance. Be respectful of other spectators and hopefully they will extend you the same courtesy.

**Please** remain in the stadium while a band is performing. There should be 5 minutes or more between bands to leave or enter the seating area. In case an emergency arises, please try to leave as quickly and quietly as circumstances allow.

**Please** set cell phones and pagers to vibrate or turn them off. Cell phone usage or ringing is distracting and breaks the mood of the performance.

**Please** keep all comments about other bands positive. Students in other bands have worked just as hard as your students and they all deserve our respect.

**Please** keep children from playing in the stands. It is both for their safety and as a courtesy to others that they are not permitted to run up and down steps or play in the aisles.

**Please** give positive feedback to other bands or the contest results. Every parent and every band member performing believes their band should be number one. "Winning" is not just first place; it is the state of every individual having endured the hardships, taken the chance of competing and done their personal best in the pursuit of excellence. All our marchers are learning teamwork, respect, pride and the satisfaction that comes from personal effort in pursuit of a goal. There are no losers on the marching field.

**Please** be considerate when using cameras or video recorders.

**Have loads of fun. After all, that is why we are all here, isn't it?**
