**Welcomes you to the
19th Annual East Lake Classic**

Thank you for your continued support!

EAST LAKE SILVER SOUND

EAST LAKE HIGH SCHOOL 1300 SILVER EAGLE LANE TARPON SPRINGS FL 34688

Welcome to the 19th Annual Silver Sound Classic here at East Lake High School. Whether you are a performer, parent, band director, instructor, or just a fan of the Marching and Pageantry Arts, we hope you will have a great experience today! Arts programs around the country are currently rebuilding after COVID challenged us to navigate safe ways to keep students making music. Many band students across our county, state, and nation never got the chance to experience the thrill of performance or the excitement of an appreciative audience. Today, we are happy to offer all students this opportunity.

Throughout the day, you will have the great privilege of enjoying what is ultimately a snapshot of a much larger experience for the hard-working students of these bands. Encapsulated in a seven-minute show are the hundreds of hours of rehearsal and individual practice, countless calls of "Reset!" and "One More Time!" Students have overcome personal obstacles to improve their performance - and themselves. Though the goal of their efforts is to provide the audience with an exciting and engaging display of musical and visual artistry, we know that these students will accomplish so much more. Students learn the value of being able to be counted on, and of being able to count on others. They learn responsibility for their actions. They learn to accept success with humility, and how to move forward from failure with grace and purpose. They learn how to lead others, how to set the example, and how to do so with pride.

We encourage you to applaud and cheer at every moment which feels appropriate to you! There is no better feeling for these young people than to know that their efforts were recognized, appreciated, and enjoyed.

Thank you for supporting the arts in Pinellas County and the East Lake High School Silver Sound Marching Band!

Sincerely,

Ian Black

EAST LAKE BAND BOOSTERS
A 501(3) Tax Exempt Organization
36181 East Lake Road, Box 192
Palm Harbor, Florida 34685

Welcome to the home of the East Lake Silver Sound, 7-time State Champions!

On behalf of the East Lake High School Silver Sound Marching Band and the East Lake Band Boosters, welcome to the 2023 East Lake Classic! We are honored that your band has included us in your competition schedule for our 19th Annual event. Our organization is committed to providing participating bands and guests with an enjoyable and rewarding competition experience. We have assembled an outstanding adjudication panel and are confident their reviews will be a valuable tool as your band moves toward Music Performance Assessments (MPA), Bands of America (BOA) competition, and/or the Florida Marching Band Coalition (FMBC) State Finals.

The East Lake band students, staff, and boosters are proud to be part of the larger marching band community. Everyone in attendance today shares many similarities. Our students spend long hours perfecting their shows with admirable enthusiasm. Band students are required to possess strong time management skills and a genuine love for marching band, which often necessitates making room in their busy schedules for this preparation. Guided by devoted directors and instructors, the students gain knowledge, expertise, experience, friendships, and life-long teamwork building foundations. Our community includes past and present and extended family members, neighbors, and local businesses. A thriving band program truly requires tremendous effort on everyone's part.

In addition to financial and moral support, the members of this community give hours of quality time to our students. We are thankful to have our band community assist in multiple capacities - some of which include chaperoning, fund-raising, concession stands, color guard, props, spirit wear, cleaning uniforms and so much more. Many of our volunteers also assume active roles as band booster coordinators and executives. As you can see, although we are from different towns and represent different schools, we are similar and in this together.

Thank you to all for attending the 19th Annual East Lake Classic! Please remember to show your enthusiastic support to all of tonight's participants.

Enjoy the show!

Competition Etiquette

We hope the few brief tips below will make your experience of this amazing art form even more enjoyable.

Please support all the bands. Applaud or even cheer any band when you appreciate something they do. Please visit the concession stand. A marching competition is also a fundraiser.

Please keep talking to a minimum during a performance. Be respectful of other spectators and hopefully they will extend you the same courtesy.

Please remain in the stadium while a band is performing. There should be 5 minutes or more between bands to leave or enter the seating area. In case an emergency arises, please try to leave as quickly and quietly as circumstances allow.

Please set cell phones and pagers to vibrate or turn them off. Cell phone usage or ringing is distracting and breaks the mood of the performance.

Please keep all comments about other bands positive. Students in other bands have worked just as hard as your students and they all deserve our respect.

Please keep children from playing in the stands. It is both for their safety and as a courtesy to others that they are not permitted to run up and down steps or play in the aisles.

Please give positive feedback to other bands or the contest results. Every parent and every band member performing believes their band should be number one. "Winning" is not just first place; it is the state of every individual having endured the hardships, taken the chance of competing and done their personal best in the pursuit of excellence. All our marchers are learning teamwork, respect, pride and the satisfaction that comes from personal effort in pursuit of a goal. There are no losers on the marching field.

Please be considerate when using cameras or video recorders.

Have loads of fun. After all, that is why we are all here, isn't it?
