

The East Lake Silver Sound Band is an award-winning Band Program from Tarpon Springs, FL. Yearly membership averages approximately 90-100 students who participate in different components of the Band Program. The band competes and performs several times each year during our home and some away football games, and Pinellas County marching band competitions to gain musical and life experiences. Our students volunteer in many capacities within the program and in our community. They have the opportunity to develop leadership skills while keeping a rigorous academic schedule. We are proud of our students' above average achievement and excellence in band as well as academically.

Students start preparing for their marching show in June. They hold a two-week band camp in July, where they learn the foundations of marching, start rehearsing the music, and acquire the skills needed to succeed once the school year starts. They rehearse an average of 8 hours each week after their school day and on weekends, in addition to maintaining some of the highest GPA's in the county. Each family contributes financially to satisfy the Band's budget, which nears \$230,000 each year. Corporate and Personal Donations are funneled into a General Scholarship Fund, which allows students whose families are unable to contribute financially to fully participate in a life-changing program.

Sponsorship of the East Lake High School Band will provide your company with a superior marketing vehicle that lends its positive relationship to the students and community. It targets the local community and highlights your support for students and the arts.

Our levels of Sponsorship are outlined below. If you are interested in more information, or simply want to donate to our program (a fully accredited 501(c)3 organization) and in turn, help a student to participate where they otherwise would be unable, please contact us at president@eastlakeband.com.

October 4th, 2025
